Certified Transcription Services

For 13 years, APLST has provided certified transcription services to the United States Bankruptcy Courts, United States District Courts, and State and County Courts. We invite you to allow us to serve your transcription needs.

Precision Is Key. Accuracy is of the utmost importance, and our staff of certified transcribers understands the need for verbatim transcription.

Safe and Secure. Our dependable and secure file transfer system is available at no charge.

Large or Small. Our quality control personnel make sure each transcript is error-free, cite checked, and proofread against the audio.

Certification. Our staff is certified by the International Alliance of Professional Reporters and Transcribers and the American Association of Electronic Reporters and Transcribers.

Please consider utilizing our services for your next transcription order. We hope to hear from you soon.

Respectfully,

Randel Raison
